

Heart's On Fire

Passenger

Well I don't know how and I don't know why
When something's living well you can't say die
You feel like laughing but you start to cry
I don't know how and I don't know why Well, I don't have many and I don't have much
In fact I don't have any but I got enough
'Cause I know those eyes and I know that touch
I don't have many and I don't have much Oh darling my heart's on fire
Oh darling my heart's on fire
Oh darling my heart's on fire
For you Well I don't know where and I don't know when
But I know we'll be lovers again
I'll see you someday before the end
I don't know where and I don't know when But oh darling my heart's on fire
Oh darling my heart's on fire
Oh darling my heart's on fire You know those love songs will break your heart
You know those love songs will break your heart
You know those love songs will break your heart Oh darlin' my heart's on fire
Oh darlin' my heart's on fire
Oh darlin' my heart's on fire
Oh darlin' my heart's on fire
Oh darlin' my heart's on fire
Oh darlin' my heart's on fire
Oh darlin' my heart's on fire
For you
For you oh
