You And Me

Nixon Now

(A. Schmidt/Nixon Now)

you and me had a remedy
you and me killed the kennedys
you and me had a remedy
you and me killed the kennedys

you and me stole the eiffel tower
and melted it within the hour
you and me stole the eiffel tower
and melted it within the hour

thereÂ´s still a lot to do for you and me
for instance starting world war 3
thereÂ´s still a lot to do for you and me
for instance starting world war 3
