# Dealing (feat. Lalah Hathaway)

## Eric Roberson

Intro:
Where do we go from here
What do i do with these feelings
longing to have you near
knowing we shouldn't be dealingVerse 1:
Why must the bad things always feel so good
Why can't i just stay away
Thought our situation was understood, still does not mean its okayWhere do we go from here
What do i do with these feelings
longing to have you near
Knowing we shouldn't be dealingLalah:
Why cant these memories just be erased
Why must i yearn for your kiss
The first moment we're not face to face
Reminds me how much your missed
Where do we goWhere do we go from here
What do i do with these feelings
Longing to have you near
Knowing we shouldn't be dealingEric & Lalah:
When the morning comes
When its time for us to go our separate ways
When this night is done, I be wanting to hold onto you
ooooh the sun, i wish we could push it all away
cause then we'll know that we can show what we have from the dayWhere do we go from here (i need to know, i need to know)
What do i do with these feelings
Longinh to have you near
Knowing we shouldn't be dealingI need to know where do we gooooo oh
I know i should walk away something keeps telling me one mo day
Maybe if i'm patience then one day it would change yeaaaah
I'll wake up in the morning and it will not be the same
Everything's is different we just play this simple game
