

# Still Running (Original Version)

[Chevelle](#)

Say it, say it  
Say it, say it Alone, you support, then embrace  
Another reason to see  
Success we unfold, clutching firm  
That in me panics for sure Say it, say it that it's done  
I want, want it, need it done  
Say it, say it that it's done  
I want, want it, need it done The lie, want to know, has it met  
Expectations so far  
Now run, make amends, feeling torn  
Boy you better be sure Say it, say it that it's done  
I want, want it, need it done  
Say it, say it that it's done  
I want, want it, need it done Still running  
Never waking up, say it  
Still running  
Never waking up, say it  
Still running  
Never waking up, say it  
Still running, still running, still running, still running Say it, say it that it's done  
I want, want it need it done  
Say it, say it that it's done  
I want, want it need it done Say it, say it that it's done  
I want, want it need it done  
Say it, say it that it's done  
I want, want it need it done
