Woooooh Wooooh OhhhhOhhhhhOhh Ohhhhhohhhh[Verse 1]:Cant stop, cant quit
Its like dragging on a cigarette
Its like feenin for another hit
Im so in to you (ooooh)
You just wanna do me wrong
Thats why I just need to leave alone
I guess its the way you make moan
Keeps me here yearning you[Pre-Chorus]:(Imagine you were gone)
Bet youd thought Id stay
(Bet youd thought Id never leave)
Finally Im over you boy
Not this time no way
Bet you thought had all mine
So all that S*** your talking in my ear
I aint even tryna hear.[Chorus]:So Im writing you this song
To let you know that Im moving on
Though it hurts my heart to say
But your never gonna be the same
(Dontcha call me again)
Dontcha call me again
(Dontcha call me again)Cos I know your words ain't true
And now Im so kool
So kool, so kool, so kool.[Verse 2]:New day same s***
I swear Im so sick of this
I think that its my time to make you miss
This love I give so good
We make love all night long

I know your love will never be my own
And Im to kool for this[Pre-Chorus]:(Imagine you were gone)
Bet youd thought Id stay
(Bet youd thought Id never leave)
