Where's the Truth

No Fun At All

Where's the truth that I wanna find
Where's the truth now can you, can you
Where's the truth that I'll never find
Where's the truth now can you, can youWhere's the truth that I wanna find
Where's the truth now can you, can you
Where's the truth that I'll never find
Where's the truth now can you, can you seeI'll keep on searching
Hope I will find it someday
I'll keep on searching
Baby, won't help me anywayWhere's the truth that I wanna find
Where's the truth now can you, can you
Where's the truth that I'll never find
Where's the truth now can you, can you seeI'll keep on searching
Hope I will find it someday
I'll keep on searching
Baby, won't help me anywayI'll keep on searching
Hope I will find it someday
I'll keep on searching
Baby, won't help me anyway
