

Where's the Truth

No Fun At All

Where's the truth that I wanna find
Where's the truth now can you, can you
Where's the truth that I'll never find
Where's the truth now can you, can you Where's the truth that I wanna find
Where's the truth now can you, can you
Where's the truth that I'll never find
Where's the truth now can you, can you see I'll keep on searching
Hope I will find it someday
I'll keep on searching
Baby, won't help me anyway Where's the truth that I wanna find
Where's the truth now can you, can you
Where's the truth that I'll never find
Where's the truth now can you, can you see I'll keep on searching
Hope I will find it someday
I'll keep on searching
Baby, won't help me anyway I'll keep on searching
Hope I will find it someday
I'll keep on searching
Baby, won't help me anyway
