Bury Me (The Scarlet Path)

Stutterfly

I endure these ruptured thoughts
Heartsick forlorn
Waiting for the sin to rot
Decayed and torn
Walking down this path again
Will your heart ever mendBury me, walk away
Thoughts unspoken
Bury me, walk away
Fear is chokingFall towards grace
Choose a path of innocence
Feel his embrace
Walking down this path again
Now is time
Your heart will mendBury me, walk away
Thoughts unspoken
Bury me, walk away
Fear is chokingShattered life repairedBury me, walk awayBury me, walk away
Thoughts unspoken
Bury me, walk away
Fear is choking
