We're Not Alone

Peeping Tom

(A lover)
(A lover)This feeling has a thousand limbs, of a first and hymns tell me do you like it?(I like it)Too big to fit in this skin, this skin I'm in, because I'm a lover
Breathe out, Breath in!
I won't live locked up dead, come to life again, because I'm a lover
(A lover)
For the first time I opened my eyes, and feel alive that's 'cos I'm a loverWe're not alone in this psychrodrome, but I know that I don't want to lose yah,
Livin' the dream if you know what I mean, and I'll be that boy you used to know.
I'm not alone, got this microphone and you know that I ain't gonna fool yah,
be that king, try to be that queen and you wouldn't save it!(A lover)
(A lover)Open me like a door, a flower or a boy or a cloud that went grey
(A lover)
There's nobody in the streets, or in their homes, just skies and wind to play
Breath out, Breath in!
Got to save this poisoned feeling, my mind ain't clean because I'm a lover
(A lover)
Dreaming won't heal, here's a clue, I am here for you, I'll be your provider.We're not alone in this psychrodrome, but I know that I don't want to lose yah,
Afraid of the walls, behind closed doors, where I'm just a baby in your arms.
I'm not alone, got this microphone and you know that I ain't gonna fool yah,
We'll watch it fade, read a magazine, Just to keep out minds a rest,
Keep our minds a rest!We're not alone in this psychrodrome, but I know that I don't want to lose yah,
Our love is made like a Starbucks chain and we're taking over this neighborhood.
We're not alone in this psychrodrome, but I know that I don't want to lose yah,
Livin' the dream if you know what I mean, and I'll be that boy you used to know.
We're not alone in this psychrodrome, but I know that I don't want to lose yah,
Afraid of the walls, behind closed doors, where I'm just a baby in your arms.We're not alone, we're not alone
We're not alone, we're not alone
We're not alone, Not alone, Not alone
