

# Let's Just Fall In Love Again

Jason Castro

Let's pretend baby  
That you've just met me  
And I've never seen you before

I'll tell all my friends  
That I think your starrin  
And you say the same to yours  
And oh, well dance around it all night  
And then I'll follow you outside  
I try to open up my mouth  
and nothing comes out right  
and I wanna fall in love with you again  
I don't have to try  
its so easy who needs to pretend?  
But because it's so funny  
Let's just think about it honey  
Let's just fall in love again

I'll call you in three days  
Not too soon not too late  
And I'll ask your room mate if your home

You'll call me on Thursday  
And we'll hang out all day  
And fall asleep on the floor

And oh, I'll hold your hand when we drive  
And we'll loose track of all the time  
And we'll tell everyone that we ain't never felt so alive  
And I wanna fall in love with you again

I don't have to try  
It's so easy who needs to pretend  
But because it's so funny  
Let's just think about it honey  
Let's just fall in love again

We'll fall discutingly fast  
And we'll stop hanging out with friends

And they'll be so offended  
Oh ooh oh

And I wanna fall in love with you again  
I don't have to try  
It's so easy who needs to pretend?  
But because  
it's so funny  
Let's just think about it honey  
Let's just fall in love again  
Let's just fall in love again  
So let's just fall in love again
