What U Do

Belocca

Baby baby baby, didnt believe? in love at all, went through my days with a wall in place.
Baby baby baby, thought I'd be stronger on my own, but then you came along and I've changed.
Yes I feel the butterflies, yes I go weak inside.
Hate to admit it, but I'm here and I don't want you to leave my side.
Used to laugh at romatic films, now I see you and me in them.
Say a cheesy line, in fact I'll be your's if you'll be mine.
This must be lo-o-o-ve, oh what you do to me, oh what you do to me.
Can't get eno-o-o-ough, oh what you do to me, oh what you do to me.
Put you're hands up if you feel like this, if you're crazy 'bout a guy and it's real like this.
Put you're hands up if you feel like this, if you're crazy 'bout a girl and it's real like this.
Baby baby baby, I've been spraying your cologne on my clothes, have I gone insa-a-ane?
Maybe maybe maybe, I was way to cynical, thinking I would never found what I'm cra-a-ving.
Roses used to make me queeze, but from you the smell's so sweet.
Hate to admit it, but I'm here and I kind of even like your feet.

Never had a boy get me so, you're pictures under my pillow.
Girl you offer silly names, my boo, my babycake.
This must be lo-o-o-ve, oh what you do to me, oh what you do to me.
Can't get eno-o-o-ough, oh what you do to me, oh what you do to me.
Put you're hands up if you feel like this, if you're crazy 'bout a guy and it's real like this.
Put you're hands up if you feel like this, if you're crazy 'bout a girl and it's real like this.
I was ashamed, embarrased to feel, head-over-heels.
Thought love was just fantasy, but now with you, I don't have to hide, you bring me to life i never kne-e-e-w.
If you're crazy 'bout a guy and you feel like this, hey, put you're hands up if you feel like this.
Put you're hands up if you feel like this, put you're hands up (like this x7).
This must be lo-o-o-ve, oh what you do to me, oh what you do to me.
Can't get eno-o-o-ough, oh what you do to me, oh what you do to me.
Put you're hands up if you feel like this, if you're crazy 'bout a guy and it's real like this.
Put you're hands up if you feel like this, if you're crazy 'bout a girl and it's real like this (like this x5).
