

# Midnight Summer Jam

## Justin Timberlake

[Intro]

Y'all can't do better than this  
Y'all can't do better than this  
Y'all can't do better than this  
Act like the south ain't the shit  
Act like the south ain't the shit  
Act like the south ain't the shit  
Y'all can't do better than this  
Y'all can't do better than this  
Act like the south ain't the sh, wait[Chorus]

It's just a midnight summer's jam  
The air's so thin, but we don't give a damn  
The starry sky across the night  
Where we pretend it's our last chance to dance

[Post-Chorus]

It starts at midnight, midnight, midnight  
It starts at midnight, midnight, midnight  
It starts at midnight, midnight, midnight  
It starts at midnight, midnight, midnight[Verse 1]  
It's in the air, hospitality  
Anything you want, what's mine is yours  
But don't you worry about the way I talk, woo  
It's where I'm from, come and get you some, uh  
Hey, all of the locals are happy to get out and meet a new face  
We dance in circles, on and on, dosey-do and then we sway  
Even the old folks'll come out and rock  
And we just hopin' the music don't stop 'til the next day

[Chorus]

It's just a midnight summer's jam  
The air's so thin, but we don't give a damn  
The starry sky across the night  
Where we pretend it's our last chance to dance[Post-Chorus]

It starts at midnight, midnight, midnight  
It starts at midnight, midnight, midnight  
It starts at midnight, midnight, midnight  
It starts at midnight, midnight, midnight[Refrain]

Y'all can't do better than this  
Y'all can't do better than this  
Y'all can't do better than this

Act like the south ain't the shit  
Act like the south ain't the shit  
Act like the south ain't the shit  
Y'all can't do better than this  
Y'all can't do better than this  
Act like the south ain't the shit  
Act like the south ain't the shit  
Act like the south ain't the, south ain't the shit  
Summer nights, I love those  
Summer nights, I love those  
Summer nights, I love those  
Summer nights, it's sweaty out here, baby[Bridge]  
Go hard  
I glow, I glow, I glow, I glow  
I glow, I glow, I glow, I glow  
Go, go hard  
I glow, I glow, I glow, I glow  
I glow, I glow, I glow, I glow  
Brother E, hit me with somethin'  
I glow, I glow, I glow, I glow  
I glow, I glow, I glow, I glow  
Ugh, come on  
I glow, I glow, I glow, I glow  
I glow, I glow, I glow, I glow  
I don't like it, I love it, ugh  
I glow, I glow, I glow, I glow  
I glow, I glow, I glow, I glow  
Ugh, come on, move somethin'  
I glow, I glow, I glow, I glow  
I glow, I glow, I glow, I glow[Chorus]  
Wait, it's just a midnight summer's jam  
The air's so thin, but we don't give a damn  
The starry sky across the night  
Where we pretend it's our last chance to dance[Post-Chorus]  
It starts at midnight, midnight, midnight  
It starts at midnight, midnight, midnight  
It starts at midnight, midnight, midnight

I glow, I glow, I glow, I glow

Move somethin'

Please don't stop the music

I glow, I glow, I glow, I glow

Shake somethin'

I glow, I glow, I glow, I glow

After midnight, please don't stop the music

I glow, I glow, I glow, I glow

I glow, I glow, I glow, I glow

Feels good

I glow, I glow, I glow, I glow

After midnight, please don't stop the music
