Death Valley

LP

Dying's so rock and roll
Stretching out into forever
I said I don't know
Could anybody even survive it?Oh, she said we're never gonna die
Wait, wait, wait, woh-oh-oh
She said we're never gonna die
Wait, wait, waitThe leather seats are gettin' hotter by the minute
I can't believe we could take it
She taps her feet and then she just spits a melody out
I used to love it till it killed meOh, she said we're never gonna die
Wait, wait, wait, woh-oh-oh
She said we're never gonna die
Oh, oh
Oh, ohSang twenty songs on rotation
You know that everything goes bad on occasion
Take me away on vacation
So I barely even know that you're fakin'Oh, tell me the war was it for
Oh, baby this year or the ours
Woh-oh-oh, woh-oh-ohOh, oh
Oh, ohShe said we're never gonna die
Wait, wait, wait, woh-oh-oh
Oh, she said we're never gonna die
Wait, wait, wait, woh-oh-oh
Oh, she said we're never gonna die
Wait, wait, wait, woh-oh-oh
Oh, she said we're never gonna die
Wait, wait, wait
