

# Always On My Mind

## Brandy

Always on my mind  
You're always on my mind  
Thoughts of you all the time  
You're always on my mind  
Everyday I see ya with a lovin' eye  
I just want to hold ya and make you mine  
If you listen to me now, sweet baby  
I'll make a promise that you can hold me too  
No matter how far and no matter how wide  
(I promise)  
I promise, baby that I'll stay by your side  
(I'll stay right by your side)  
'Cause in my mind I see you  
And I just can't seem to shake you  
Your sweetness to me is worth not thinkin' of  
Always on my mind  
(You're always on my mind)  
You're always on my mind  
(Thoughts of you)  
Thoughts of you all the time  
(All the time)  
You're always on my mind  
It's the way you look at me  
The sight of you knocks me off my feet  
I wanna kiss and tell and get to know you well  
Let me introduce my heart to you  
No matter how far and no matter how wide  
(I promise)  
I promise, baby that I'll stay by your side  
(I'll stay right by your side)  
'Cause in my mind I see you  
And I just can't seem to shake you  
Your sweetness to me is worth not thinkin' of  
Always on my mind  
(Always on my mind)  
You're always on my mind  
Thoughts of you all the time  
You're always on my mind  
Always on my mind

(You're always on my mind)  
You're always on my mind  
(Thoughts of you)  
Thoughts of you all the time  
You're always on my mind  
No matter how far and no matter how wide  
(How wide)  
I promise, baby that I'll stay by your side  
(I'll stay right by your side)  
'Cause in my mind I see you  
And I just can't seem to shake you  
Your sweetness to me is worth not thinkin' of  
Always on my mind  
(Always on my mind, sweet baby)  
You're always on my mind  
Thoughts of you all the time  
(Thoughts of you)  
You're always on my mind  
Always on my mind  
(Thinkin' of you)  
You're always on my mind  
Thoughts of you all the time  
(Thoughts of you)  
You're always on my mind
