Young and Innocent

Elefante

There's an echo in the wind makes me wonder where I've been
All the years I've left behind faded pictures in my mind
My barman's mandolin, dancing in the air
Here we are without a carNow, it's hard for me to see
It's not as easy as it used to be
Though maybe yesterday is gone
The things we shared were never wrongCome back, babe, I need you now
And I know if you're out there
I'll find you somehow
I want that feeling back againSo, we can be young and innocent
When nothing mattered but the moment we were in
Let's shut our eyes and pretend
And maybe once again we can be young and innocentThough, maybe yesterday is gone
The things we shared were never wrong
Come back, babe, I need you now
And I know if you're out there
I'll find you somehow, I want that feeling back againSo, we can be young and innocent
When all that mattered was the moment we were in
Let's shut our eyes and pretend
And maybe, once again we can be young
Oh, I want that feeling back again, ohYoung and innocent
When nothing mattered but the moment we were in
Let's shut our eyes and pretend
And maybe, once again we can be young and innocentYoung and innocent, young and innocent
Let's shut our eyes and pretend
And maybe, once again we can be young and innocent
