

Open Your Eyes (Everybody Loves Velvet Remix)

[Andrew Belle](#)

Open your eyes now
Open your eyes now
It's time to see
If you can reach meOpen your eyes now
Open your eyes now
It's time to leave
It's time to leave meOpen your eyes now
Open your eyes now
It's time to see
If you still believe meOpen your life now
Open your life now
I'll try to be
All that you need me
To beShe'll be a star now
I will follow her lead
She'll be a scar now
I will still let her bleedOpen your eyes now
Open your eyes now
Try to speak
Like you can see meOpen your eyes now
Open your eyes now
I'll try to be
Almost everything
You need me to beShe'll be a star now
I will follow her lead
She'll be a scar now
I will still let her bleed
All over meShe'll be a star now
She'll be a scar nowShe'll be a star now
She'll be a scar nowShe'll be a star now
She'll be a scar nowShe'll be a star now
She'll be a scar nowShe'll be a star now
She'll be a scar nowShe'll be a star now
She'll be a scar now
I will let her bleed
All over meAll over me
