

Velvet Rope

Janet Jackson

We have a special need
To feel that we belong
Come with me inside
Inside my velvet rope We have a special need
To feel that we belong
Come with me inside
Inside my velvet rope We're one of the special [incomprehensible] This special need
That's within us
Brings out the best
Yet worst in us
Follow the passion
That's within you
Living the truth
Will set you free We have a special need
To feel that we belong
Come with me inside
Inside my velvet rope We have a special need
To feel that we belong
Come with me inside
Inside my velvet rope Put others down
To fill us up
Oppressing me
Will oppress you
Outside leave judgment
Outside leave hate
One love's the answer
You'll find in you We have a special need
To feel that we belong
Come with me inside
Inside my velvet rope We have a special need
To feel that we belong
Come with me inside
Inside my velvet rope
