

Harder To Believe

Gavin DeGraw

Back of your house, back of your neck
Goodbye to the innocence, I said
Goodbye, I have no regrets, we're just
Living on a dream
Headstrong and a sugars tough, I got
Beat down and I drank too much, got
Run over at the 911, but I
I'm still alive To tell you the truth
I can't remember all the details
The hell I walked through
Left me shirtless in the night You only see (only see)
What I reveal (what I reveal)
My clothes, my phone, my home, my automobile
Just take my word (take my word)
You wouldn't think (you wouldn't think)
But there's more to my story, that you can't dream
I could let the words just fall out
While you're listening to me
But the truth just makes it harder to believe Letting me in, leading me on
Who knows where it's coming from (who knows)
One go and it's just begun, but I
I'm closing in To tell you the truth
I can't remember all the details
The hell I walked through
Left me shirtless in the night You only see (only see)
What I reveal (what I reveal)
My clothes, my phone, my home, my automobile
Just take my word (take my word)
You wouldn't think (you wouldn't think)
But there's more to my story, that you can't dream
I could let the words just fall out
While you're listening to me
But the truth just makes it harder to believe I wanted it so bad
More than I could really say
Nothing got in my way, oh woah, oh woah
But only you get there
You're waiting for the shoe to drop
All I'm saying is I just couldn't stop Let it fall out
You only see (only see)

What I reveal (what I reveal)
My clothes, my phone, my home, my automobile (and my automobile yeah)
Just take my word (take my word)
You wouldn't think (you know you wouldn't think)
But there's more to my story, that you can't dream
I could let the words just fall out (fall out)
While you're listening to me (yeah)
I could let the words just fall out
While you're listening to me
But the truth just makes it harder to believe
