

Live the Dream

Cast

Somebody's after me
I can't pretend to be
Something I know I'm not
And when they come for me
I'll just let them be
Because all that I need today
Is all I need I just wanna be thinking
Thoughts that I think
Dreaming my dreams and drifting within
I don't know where I'm going
But I know where I been
Come on
Look within Someone will always be
More than I'll ever be
So then I'll be myself
And when they come for me
I'll just let them be
'Cause all that I need today
I need today Oh, you're big enough
Tough enough
Now, I begin to see
Girl, you gotta lay your love on me
It's big enough, so far enough
As far as my eyes can see
Girl you better lay your love on
Lay your love on me
