I'll Wait for You

Frankie Avalon

Ooh, I'll wait for youOh, I know we both are young And must wait till school is through Ooh, I'll wait for you (Ooh, I'll wait for you)Oh, I tell my impatient heart There is nothing I can do Ooh, I'll wait for you (Ooh)There's one day I dream of The day I can bring My token of true love Your engagement ring, I love youSo until the day I'll hear You will say, yes, I do Ooh, I'll wait for you (Ooh, I'll wait for you)There's one day I dream of The day I can bring My token of true love Your engagement ring, I love youSo until the day I'll hear You will say, yes, I do Ooh, I'll wait for you (Ooh, I'll wait for you)
