

27 Jennifers

Mike Doughty

I went to school with 27 Jennifers
16 Jenns, 10 Jennies and then there was her
Yeah, its the sweet shine of
Yeah, force of divine love
The blessed arrival of you
You might be the one that I've been seeking for
You might be the strange delightful
You might be the girly who shall end all girls
You might be the sweet unspiteful
I rode the bus with 27 Jennifers
15 Jenns, 10 Jennies disapproved of her
Get from my sight, man
Gladness is a blight, and
The happiness stinks up the room
You might be the one that I've been seeking for
You might be the strange delightful
You might be the girly who shall end all girls
You might be the sweet unspiteful
You might be the one that I've been seeking for
You might be the strange delightful
You might be the girly who shall end all girls
You might be the sweet unspiteful
27 Jennifers
