

# More Life

## Richie Spice

Life is what you make it, and if you don't make it, whose gonna make it for you?  
Mih seh them youths, yes you haffi teach them, if you don't teach them, whose gonna teach them you?  
Raise, yes you haffi raise them, cause if you don't raise them, whose gonna raise them for you?  
And mih seh love, yes you haffi love them, and if you don't love them whose gonna love them for  
you?ChorusOh what a day it would be a day  
Just like an holiday unity that what we say  
See them youths them playing in the park weh them go up to, to walkbout after dark  
Everything is everything  
Till them see noh ask fih bring  
Righteousness is just what we bring  
Why they promoting and they woman struggles, you know what we got to preserveMore life, plant the seed and  
let it grow (let it grow)  
More life, don't be like a dog who loses a bone  
More life, got to work got to achieve your home (work hard  
to get it)  
More life, and you will find some peace at homeChorusOh what a day it would be a day  
Just like an holiday unity that what we say  
See them youths them playing in the park weh them go up to, to walkbout after dark  
Everything is everything  
Till them see noh ask fih bring  
Righteousness is just what we bring  
Why they promoting and they woman struggles, you know what we got  
to preserveMore life, life is what you make it, and if you don't make whose gonna make  
it for you?  
Mih seh the youths, yes you haffi teach them if you don't teach them, whose gonna teach them for you?  
Raise, yes you haffi raise them, cause if you don't raise, whose gonna raise them for you?  
And mi seh love, yes you haffi love them, and if you don't love whose gonna love them for you?ChorusOh what  
a day it would be a day  
Just like an holiday unity that what we say See the youths them playing in the park weh them go up to, to  
walkbout after dark  
Everything is everything  
Till them see noh ask fih bring  
Righteousness is just what we bring  
Why they promoting and they woman struggles, you know what we got  
to preserveMore life, time is ticking on the clock (tika tika tak tika tika tak) youths them ah grow as the finger  
snap  
Youths got to work for the parents, parents got to work for the youths (youths,motha, fatha)  
Or else you will reap the bitter fruits (everybody must work hawda) isChorus ( repeat 2x )Oh what a day it  
would be a day

Just like an holiday unity that what we say See the youths them playing in the park weh them go up to, to  
walkbout after dark  
Everything is everything  
Till them see noh ask fih bring  
Righteousness is just what we bring  
Why they promoting and they woman struggles, you know what we got  
to preserve
