Dearest (I'm so Sorry)

Picture Me Broken

A little less innocence
His morals aren't so well defined
You're here again, the rush begins
A line of joy and suicideI can't find the words to say this
I'm running out of patienceDearest I'm so sorry you're disturbed
You know I'd hang on every word
With each breath you take I think I've learned
Careful you might get burned
Tears tug at the corners of my eyes
But I won't let them go this time
You're here again, the rush begins
A line of joy and suicide
I can't find the words to say this
I'm running out of patienceDearest I'm so sorry you're disturbed
You know I'd hang on every word
With each breath you take I think I've learned
Careful you might get burnedLet's go...
Dearest I'm so sorry
But this is not workingHolding onto what I fight for
Bleeding for you,
A face to die for (x2)
