

Yakuri Abe

Sicko

Yakuri Abe plays guitar in a pop punk band

Yakuri Abe waves goodbye from Tokyo and

Yakuri Abe says no Sanrio Piru Lando

Yakuri Abe says it's too far and she doesn't want to go she's a punker she's Hana she's a girl with almond eyes
from a faraway land...Yakuri Abe brought Godzilla dolls for a rock and roll band

Yakuri Abe said something to me that I don't understand she's a punker she's Hana she's a girl with almond
eyes from a faraway land...Yakuri Abe walks the rain soaked streets of Shibuya Ku

Yakuri Abe did you ever know that it rains here too? she's a punker she's Hana she's a girl with almond eyes
from a faraway land...
