Tattooed Dancer

Ozzy Osbourne

Well she's a mean hard woman and she knows what she likes
She is my tattooed rock n roll dancer
I'm under her thumb and when she tells me jump
Oh hi is the only way I can answer
They're gonna put me away, put me away
God damn them
Well I can hear her moaning like a dog that's on heat
She never takes no for an answer
She's driving me mad, she makes it good to be bad
My little tattooed rock n roll dancer
They're gonna put me away, put me away
God damn them
They're gonna put me away, put me away

God soul's on fire
Tattooed dancer, dance for me bitch
I think I'm in grave danger, goin' over the top
There is no question only an answer, she can't give me love
I think I've fallen in lust with my tattooed rock n roll dancer
They're gonna put me away, put me away
God damn them
They're gonna put me away, put me away
God soul's on fire
They're gonna put me away
God soul's on fire
