

Thru The Eyes Of Ruby

Smashing Pumpkins

Wrap me up in always
And drag me in with maybes
Your innocence is treasureYour innocence is death
Your innocence is all I have
Breathing underwater
And living under glassAnd if you spin your love around
The secrets of your dreams
You may find your love is gone
And is not quite what it seemedTo appear to disappear
Beneath all your darkest fearsI believe in never, I believe in all the way
But belief is not to notice
Belief is just some faith
And faith can help you to escapeAnd with this ring I wed thee true
And with this ring I wed thee now
And with this ring I play so dead
But no one's asking for the truth
So let me tell youIf you spin your love around
The secrets of your dreams
You may find your love is gone
And is not quite what it seemedTo appear to disappear
Beneath all your darkest fearsTo the revelations
Of fresh faced youth
No one will come to save youSo speak your peace
In the murmurs drawn
But youth is wasted on the youngYour strength is my weakness
Your weakness my hate
My love for you just can't explain
Why we're forever frozen, forever beautiful
Forever lost inside ourselvesThe night has come to hold us young
The night has come to hold us young
The night has come to hold us youngThe night has come to hold us young
The night has come to hold us young
The night has come to hold us young
