

Alive

The Hot Dogs

What if I told you that I think you're perfect?

Beautiful sky in your eyes, it's so worth it

I know

You make me feel alive

What if I told you that I'm in forever?

Nothing to hide, yeah, I'll go wherever

You would go

You make me feel alive

And I'll be hanging on

Every word you say to me

Hanging on a feeling that I get

'Cause you make me

Laugh a little louder

Love a little harder

And I feel alive when I'm with you

Every time it's something new

Never knew what love could feel like

Until I walked away the first time

And I feel alive when I'm with you

Deep inside, it's something true

You're the only reason I fight

You're the best thing in my life

What if I told you that I'd never hurt you?

Always be there for you to hold on to

I know

You make me feel alive

And every single second's

A lifetime memory

I'll be holding on each moment

'Cause you make me

Laugh a little louder

Love a little harder

And I feel alive when I'm with you

Every time it's something new

Never knew what love could feel like

Until I walked away the first time

And I feel alive when I'm with you

Deep inside, it's something true

You're the only reason I fight

You're the best thing in my life
And I feel alive when I'm with you
 When I'm with you
And I feel alive when I'm with you
 Every time it's something new
Never knew what love could feel like
 Until I walked away the first time
And I feel alive when I'm with you
 Deep inside, it's something true
 You're the only reason I fight
 You're the best thing in my life
