Pulling Me Through

Todd Dulaney

Through all I have gone through Lord It was You
Through all I have gone through Lord It was You
It was You, oh it was You pulling me through
It was You, Lord it was You pulling me throughThrough all I have gone through Lord It was You
Through all I have gone through Lord It was You
It was You, oh it was You pulling me through
It was You, Lord it was You pulling me throughWhen I stumbled, when I cried
When it felt like I wanted to die
When my friends turned and they walked away
You were right here, right here to stayIt was You, it was You pulling me through
It was You, Lord it was You pulling me through
Yes, when I stumbled, when I cried
When it felt like I wanted to die
When my friends turned and they walked away
You were right here, right here to stayIt was You, Lord it was YouHe'll never walk out on You
No never, no never
He'll never walk out on You
I believe it all, no neverHe'll never walk out on You
No never, no never
He'll never walk out on You
No never, no neverHe'll never walk out on You
No never, no never
He'll never walk out on You
No never, no never
I'm a witness that He'll never
No never, no never
I'm a witness that He'll never
No never, no never
