Taste so Good (Re-Recorded)

Next

Please play at low volume,
Preferably while having sex.Can I taste you, can I taste you?
(Yes, you can.)
Can I taste your body, girl?
(Of course you can.)
Can I taste you, can I taste you?
I just can't wait to.Can I taste you, can I taste you?
(Of course you can.)
Can I taste your body, girl?
(Yes, you can.)
Can I taste you, can I taste you?
(oh, don't stop, until I tell you to.)Oh, baby whatcha doing?
Got me feining like this.
I want to go to your valley,
I want to taste your lips, oh yeah.
Never understood it.
All my homies say: "don't do it."
But baby when I tried it,
Girl, I couldn't help but like it.You taste so good,
Baby, you taste so good.
You know you do, girl,
You taste so good.
Baby do you like it when I taste your love? Yeah.
You taste so good,
Baby, you taste so good.
You know that it tastes so good,
You taste so good,
So good to me, my baby,
So good to me, yeah.Sweeter than candy;
Making my tongue so happy, oh.
Loving down your backside,
Girl, won't you take me on a thigh ride?
We'll go home,
We'll go around when we bounce.
You're giving me so much.
Just swing and make you bounce.
Your love is so delicious,
Baby, I can tell by the smile on your face,
Ya don't mind

If I have another taste.You taste so good,
Baby, you taste so good.
You taste so good.
I can't get over this taste I found
When I go downtown, down.
You taste so good.
Open up, open up wide.
You taste so good.
You know what I like 'cause you,You taste so good.
So get down.
So good to me baby,
You taste so good,
Baby, you taste so good.
You taste so good.
I'm tasting you, you're tasting me,
You taste so good.
Your love, your love, your love
Baby, you taste so good.
Is so tasty.
You taste so good.
You got me, you got me, you got me.
In that ending ecstasy.
So good to me, my baby, oh.Baby, what you need;
I want to be your freak.
I can go deeper, if you let me.
Oh, let me go down.Baby, what you need;
I want to be your freak.
I can go deeper, if you let me.Baby, I can start up at your nipples,
Right up to your naval.
Baby, you know I'm able to make you whine.Baby, what you need;
I want to be your freak.
I can go deeper, if you let me.Baby, what you need;
I want to be your freak.
I can go deeper, if you let me.Baby, you taste so good,
You taste so good.
Baby, you taste so good.
You taste so good,
You taste so good.
