

# Cripples Crown

## The Coral

Unopened door on the 13th floor  
Conspiracy in the corridors I'll take you down  
Down to cripples crown What should you say? What can you do?  
Satellites are watching you I'll take you down  
Down to cripples crown  
I'll take you down  
Down to cripples crown At this dark hour, who'll be there? Open the door if you dare  
Venus fly trap on the stairs I'll take you down  
Down to cripples crown There'll be no time, there'll be no tears  
The elevator disappears I'll take you down  
Down to cripples crown  
I'll take you down  
Down to cripples crown Cripples crown  
Cripples crown  
Cripples crown  
Cripples crown
