You got something I like, so quit playin'
Got me so mesmerized girl I'm sizin' you up
Ain't no need to disguise what I am sayin' (sayin')
DJ's got the supplies, and he's playin' our cut
I can feel your body callin' (calling for me girl)
Callin' baby
I want to know
Can I have...
One song baby
Dancin' til we're fallin' in love
Baby I'm not leavin' the club
I'm stayin'
Until i show you I am the one (one, one, one, one)
Girl don't miss it
Can you picture me
All over you
We can do anything you wanna do
With the one song baby
Dancin' til we're fallin' in love
The clock is tickin'
i got somethin' you like
So quit playin' (playin')
It's all over your eyes that you want to hook up
We don't need no disguise I'm sayin' (sayin')
We're both here at the club and we all grown up
Can't you feel my body callin'... callin' for you (for you girl)
I wanna know
Can I have
One song baby, dancin' till we're fallin' in love
Baby I am not leavin' the club
I'm stayin' till i show you I am the one (one, one, one, one)

Girl don't miss it

Can you picture me
All over you
We can do anything you wanna do
With the the one song baby
Dancin' till we're fallin' in love
The clock is tickin'
Yea (yea)
The clock is tickin' (the clock is tickin')
Come on (come on)
Last call baby
Get off the wall baby
We could have it all
Before they drop the ball baby
Last call baby
Get off the wall baby
We could have it all
Before they drop the ball baby
Five (five)
Four (four)
Three (three)
Two (two)
One.....
They're countin' it down tonight, it's goin' down tonight, you know the time is right baby!
One song baby, dancin' til we're fallin' in love.
Baby I'm not leavin' the club
I'm stayin' 'til I show you I am the one.
Girl don't miss it
Can you picture me, all over you
We can do anythin' you wanna do.
With the one song baby
Dancin' til we've Fallen in love
The clock is tickin'
The clock is tickin'
The clock is tickin'
One... One.... One...
Can you picture me, all over you
We can do anythin' you want to do.
With the one song baby dancin' til we've fallen in love
The clock is tickin'.
