## **Last Kiss**

## **Pearl Jam**

Oh where, oh where, can my baby be?
The Lord took her away from me

She's gone to heaven, so I've got to be good

So I can see my baby when I leave this worldWe were out on a date in my daddy's car We hadn't driven very far

There in the road, straight ahead

A car was stalled, the engine was deadI couldn't stop, so I swerved to the right

I'll never forget the sound that night

The screamin' tires, the bustin' glass

The painful scream that I heard lastOh where, oh where, can my baby be?

The Lord took her away from me

She's gone to heaven, so I've got to be good

So I can see my baby when I leave this worldWhen I woke up the rain was pourin' down

There were people standing all around

Something warm goin' through my eyes

But somehow I found my baby that nightI lifted her head, she looked at me and said

"Hold me darling, just a little while"

I held her close, I kissed her our last kiss

I found the love that I knew I had missedWell now she's gone

Even though I hold her tight

I lost my love, my life, that nightOh where, oh where, can my baby be?

The Lord took her away from me

She's gone to heaven, so I've got to be good

So I can see my baby when I leave this world
