I Hear you Knockin'

Smiley Lewis

(j.d. miller)Chorus:
I hear you knockin'
I hear you callin'
I hear you every time you say my name
But it's too late, baby
Your calling's all in vainI hear you cryin'
You done the lyin'
You tried to cheat
Baby, you're to blame
But it's too late, baby
Your cryin's all in vainI packed my suitcase
I bought my ticket
It won't be long and I'll be on my way
'cause I'm a leavin', yeah I'm a leavin'
And I'm going away to stayChorus:
I hear you knockin'
I hear you callin'
I hear you every time you say my name
But it's too late, baby
Your calling's all in vainI packed my suitcase
I bought my ticket
It won't be long and I'll be on my way
'cause I'm a leavin', yeah I'm a leavin'
And I'm going away to stayChorus:
I hear you knockin'
I hear you callin'
I hear you every time you say my name
But it's too late, baby
Your calling's all in vainI hear you knockin'
I hear you callin'
I hear you every time you say my name
But it's too late, baby
Your calling's all in vainI hear you knock, knock, knock
I hear you call, call, call
I hear you every time you say my name
But it's too late, baby
Your calling's all in vain
