

# I'm Clean

Paul Wall

Bitch, I'm clean, that's all I know  
'Cause yo mama and yo gal told me so  
Bitch, I'm clean, that's all I know  
You can see my pinky ring shinin' that's fo' sho'  
Bitch, Im clean, that's all I know  
And I'm ridin' in the drop real slow  
Bitch, I'm clean, that's all I know  
When I pass by watch they mouth strike a pose  
Lord, have mercy, man, I'm so clean  
Like Oil of Olay and Irish spring  
And I feel nothin' 'cause I'm a one man team  
What the fuck I'm a smile fo' my mug stay mean  
You can buy a denali wit' da diamonds in my mouth  
You can buy an apartment wit' da diamonds on my wrist  
I been screwed up click ever since 96'  
Z-Ro the crooked and paul wall up in this, bitch  
In da aston martin outside  
Seein' sumbody, baby, momma gon' take a rid  
I'm rollin' on cigarillo afta cigarillo afta cigarillo  
Goddammit, I'm high  
Orford Dodger jeans, Orford Dodger shirt  
And da shoes to match goddamit  
I'm fly can't forget 3rd coast customs  
Got da van lookin' like a slice of blueberry pie  
And I love vegetables in fact  
I'm wearin' 70 karats around my neck  
And 11 mo around my finger  
But who countin' anyway  
I'm tryna cash my publishin' check  
I'm rollin' on 84's and vogues  
Twenty inches above the ground  
I keep 10,000 in a briefcase wit me  
In case I ever go outta town  
You keep it real wit' me I keep it real wit' you  
And don't waste my time 'cause I got shit to do  
If it's important then I'm a really get wit' you  
But be patient 'cause I got sum mo shit to do  
I'm steppin' ova hatas in my brown and beige gators  
My shoulda slap up under my blazer

And if I do say so myself, I'm sharper than a razor  
Bitch, I'm clean, that's all I know  
'Cause yo mama and yo gal told me so  
Bitch, I'm clean, that's all I know  
You can see my pinky ring shinin' that's fo' sho'  
Bitch, I'm clean, that's all I know  
And I'm ridin' in the drop real slow  
Bitch, I'm clean, that's all I know  
When I pass by watch they mouth strike a pose
