

# Held Up Without a Gun

[Bruce Springsteen](#)

I was out driving, just taking it slow  
Looked at my tank it was reading low  
Pulled in an exxon station out on highway one  
Look out!  
Help up without a gun  
Help up without a gun  
Help up without a gun(some man) drew eight hundred dollars (doing off a  
Squeeze)  
Ain't got nowhere to go and nothing to eat  
(driving up so blow us) better sign here son  
Watch out!  
Help up without a gun  
Help up without a gun Now it's a sin and it oughta be a crime  
You know it happens buddy all the time  
If I don't break the limit tryin' to have a little fun  
Help up without a gun  
Help up without a gun  
Help up without a gun  
Help up without a gun
