## **Denial (Expansion Union Remix)**

## **Sevendust**

What, never say what you mean

All I hear is a scream

Never say that to me

Never say that to me

Wait, wipe that shit off your face

Let's don't stop till we bleed

The more you spit out your mouth the less I believeDenial seems it had to come

Relied on me to say it all

Denial has left you all aloneI, can all that shit that you said

Ever make any sense

Where did you run to, bitch

While I was holding my breath?

What's sacred faded into nothing

Never put that on me

Never put that on meDenial seems it had to come

Relied on me to say it all

Denial has left you all aloneDenial seems it had to come

Relied on me to say it all

Denial has left you all alone

WasteDenial seems it had to come

Relied on me to say it all

Denial has left you all aloneDenial seems it had to come

Relied on me to say it all

Denial has left you all alone
