

# Shiksa(Girlfriend)

## Say Anything

Girlfriend now  
I have a have a girlfriend now  
No way, no how I get a girlfriend now I remember it vividly, love.  
I've been walking erect since the moment we met  
And I caught your eyes to my surprise (your white thighs)  
Hebraic neuroses ceased to be  
And angel's conversing with me  
The new attractive to me is divine  
And even if your friends don't understand  
No matter what, I'll always be your man  
And even if you go, you know you'll leave me feeling grand  
Yeah yeah I'll need new contraceptives, green eyes  
I thanked God when you left him, green eyes  
Let's spend the night entwined out on the boardwalk in sickly summertime  
Like the yin and the yang of the afikomen  
You're the omen that all has changed that was deranged  
And even if you stomp me 'til I'm sore  
No matter what, I'd bleed to be your whore  
And even if the cancer grows until we explode, I'm yours Girlfriend now  
I have a girlfriend now  
No way, no how  
I get a girlfriend, now?  
Well, from here on forth, I'm yours And even if your whisper eats my ear  
Your voice shall be the only song I long to hear  
And even if you fear the end, our sacrament of salmon and Irish beer  
Will still be here Girlfriend now  
I have a girlfriend now  
No way, no how  
I get a girlfriend, now? Boy, I need your love, so give it to me  
Boy, I need your touch, so lay it on me  
Boy, I need your love, I need your touch, I'm yours? Girlfriend now  
I have a girlfriend now  
No way, no how  
I get a girlfriend, now? Girlfriend now  
I have a girlfriend now  
No way, no how  
She's my girlfriend now
