

I Am War

Once Human

Waves of fire in the sky are
Falling down
Blackening out the sun
As a river of the blood flows
On the ground
There's nowhere to run Follow the river of blood (that's where you'll find me)
I pay the path in the mud (with heads of enemies)
I am perpetual pain (I am forever more)
Man's habitual game
I am war
I am war
I am war
I am war
