

Beautiful

Creed

She wears a coat of color
Loved by some, feared by others
She's immortalized
In young men's eyes
Lust she breeds in the eyes of brothers
Violent sons make bitter mothers
Close your eyes, here's your surprise
But beautiful is empty
Beautiful is free
Beautiful loves no one
Beautiful stripped me
Stripped me
Stripped me
Stripped me
In your mind she's your companion
Vile instincts often candid
Your regret is all that's left
But beautiful is empty
Beautiful is free
Beautiful loves no one
Beautiful stripped me
Stripped me
Stripped me
She stripped me
She told me where I'm going
And it's far away from home
I think I'll go there on my own
I think I'll go there on my own
She told me where I'm going
And it's far away from home
I think I'll go there on my own
I think I'll go there on my own
But beautiful is empty
Beautiful is free
Beautiful loves no one
Beautiful stripped me
Stripped me
Stripped me
She stripped me

She stripped me
Stripped me
