

# God is a Girl

## Nightcore

Remembering me, discover and see  
All over the world, she's known as a girl  
To those who are free, their minds shall be key  
Forgotten as the past, 'cause history will last  
God is a girl, wherever you are  
Do you believe it, can you receive it?  
God is a girl, whatever you say  
Do you believe it, can you receive it?  
God is a girl, however you live  
Do you believe it, can you receive it?  
God is a girl, she's only a girl  
Do you believe it, can you receive it?  
She wants to shine, forever in time  
She is so driven, she's always mine  
Clearly and free, she wants you to be  
A part of the future, a girl like me
