

Billy Daveys Daughter

Stereophonics

I never knew her name
I only knew her fame
She lived near my town
Another goldfish to drown
Well I just past the bridge
That parts us from them
The bridge that she used
Again and again
Again I remember when they found her
Billy Davey's daughter
Word gets around, word gets around Billy Davey's second daughter
Threw herself to dirty water
Billy's left with nothing but a dream Billy Davey's second daughter
Threw herself to dirty water
Billy's left with nothing But a dream He dreams
He dreams
Dreams
Dreams He Dreams
Dreams
Dreams
Dreams Word gets around
