

Sunny Day Real Estate

Swallow whole lose myself in you
Take a chance, take a chance with me
Poured out in wine, chance to run away
Take a breath, take a breath same sign
Hair of gold swims through caught in my mind
Painted picture prize, jewels on a crown
Poisoned wine, I fall to the floor
Caught a glimpse of truth
Swallow whole lose myself in you
Take a breath, take a breath same sign
Hair of gold swims through caught in my mind
Painted picture prize, jewels on a crown
Poisoned wine, I fall to the floor
Caught a glimpse of truth
Hair of gold
Hair of gold
