

Ghosts

Prime Circle

 Been living with a ghost
 And the ghost is me
 Hauting myself won't let me be
 I been closing my eyes
 So that I can't see
Pull the blindskeep the sun outI been living with a ghost
 Who I used to be
 Severed all ties in the cementery
 A bound myself so that I can't feel
 I built a wall
Everyone out of my home, home, homeI can't get out
 This world is a prison
 No sights and sounds
 Lost our vision
 But I set my soul free
 Better to burn than to fade away
 But I set my soul free
 Ghost of who I used to beLiving with a ghost
 So silently
 Holding my breath so I don't breath
 Seeing myself I don't seem real
Know the times going to run outBeen trying but I can't seem to get free
 Been Hearing these voices that aren't me
 Been closing my ears so I can't hear
I built a wall everyone out of my home, home, homeI can't get out
 This world is a prison
 No sights and sounds
 Lost our vision
 But I set my soul free
 Better to burn than to fade away
 But I set my soul free
 Ghost of who I used to beThis world is a prison
 If this world is a prison
 This world is a prison
Then it's better to burn than to fade awayI can't get out
 No sights and sounds
 But I set my soul free
 I set my soul freeI can't get out
 This world is a prison

No sights and sounds
Lost our vision
Better to burn than to fade away
But I set my soul free
Ghost of who I used to be
