

# There's Always Me

[Elvis Presley](#)

When the evening shadows fall,  
And you're wondering who to call  
For a little company  
There's always me  
Or if your great romance should end,  
And you're lonesome for a friend  
Darling, you need never be  
There's always me  
I don't seem to mind somehow  
Playing second fiddle now  
Someday you'll want me, dear,  
and when that day is here,  
Within my arms you'll come to know  
Other loves may come and go  
But my love for you will be eternally  
Look around and you will see  
There's always me.
