For You

Lars Frederiksen & The Bastards

We laugh but no one's laughing
We kiss and no one cares
So, we shout but no one's listening
So, we live like no one daresFor you
Well, I'll be your soldier
For you
Well, I'll bury friendsFor you
Well, I'll be your savior
For you
Well, I'll play and pretendSo, we laugh but no one's laughing
We kiss but no one cares
So, we shout but no-one's listening
So, we live like no-one daresFor you
Well, I'll be your soldier
For you
Well, I'll bury friendsFor you
Well, I'll be your savior
For you
Well, I'll play and pretendFor you
Well, I'll be your soldier
For you
Well, I'll bury friendsFor you
Well, I'll be your savior
For you
Well, I'll play and pretendSo, we cry but now you're laughing
We hate and now you care
So, we shout but now you're listening
We'll die and you won't careFor you
Well, I'll be your soldier
For you
Well, I'll bury friendsFor you
Well, I'll be your savior
For you
Well, I'll play and pretendI'll play and pretend
I'll play and pretend
I'll play and pretend
I'll play and pretend, oh man
