

# Into The Toilet With You

## Macabre

You'll Just Have To Stay For As Long As I Say  
If You Try To Leave  
I Will Make You Pay  
Beside Me You'll Lay  
You're Drugged Anyway  
I'll Keep You Like That  
And Things Will Be Ok In An Acid Filled Drum I Put You  
After Two Weeks Its' Sludge  
You'll Turn To  
Then I'll Take My Plastic Scoop  
And It's Into The Toilet With You
