

Like You Like (Feat. Kimberley Wyatt)

Aggro Santos

And you can have all off me tonight
Ain't nobody else gonna make it right
You got me like a bullet taking flight
I'll hit you right just like you like And you can have all off me tonight
Ain't nobody else gonna make it right
You got me like a bullet taking flight
I'll hit you right just like you like They call me chef, they like the way
I mix it if you can take the heat come and step into my kitchen
Tell me how you like it tell me how you want it
I'm prepared to give it to you I don't even have to front row
