The Catalyst (Tim Brennan Remix)

Linkin Park

God bless us everyone

We're a broken people living under loaded gun

And it can't be outfought

It can't be outdone

It can't outmatched

It can't be outrun

NoGod bless us everyone

We're a broken people living under loaded gun

And it can't be outfought

It can't be outdone

It can't out matched

It can't be outrun

NoAnd when I close my eyes tonight

To symphonies of blinding light

(God bless us everyone

We're a broken people living under loaded gun, oh)

Like memories in cold decay

Transmissions echoing away

Far from the world of you and I

Where oceans bleed into the skyGod save us everyone,

Will we burn inside the fires of a thousand suns?

For the sins of our hand

The sins of our tongue

The sins of our father

The sins of our young

NoGod save us everyone,

Will we burn inside the fires of a thousand suns?

For the sins of our hand

The sins of our tongue

The sins of our father

The sins of our young

NoAnd when I close my eyes tonight

To symphonies of blinding light

(God save us everyone,

Will we burn inside the fires of a thousand suns, oh)

Like memories in cold decay

Transmissions echoing away

Far from the world of you and I

Where oceans bleed into the skyLike memories in cold decay

Transmissions echoing away

Far from the world of you and I

Where oceans bleed into the skyLift me up

Let me go

Lift me up

Lift inc up

Let me go

Lift me up

Let me goGod bless us everyone

We're a broken people living under loaded gun

And it can't be outfought

It can't be outdone

It can't out matched

It can't be outrun

NoGod bless us everyone

We're a broken people living under loaded gun

And it can't be outfought

It can't be outdone

It can't out matched

It can't be outrun
