

# I Don't Need You

## Blitz

I just don't know what to say  
And you don't listen anyway  
Can't you see, are you so dumb ?  
I only want you cameI don't need youYou look well an half-past ten  
But soon I'll be so straight again  
Girl I wish you'd understand  
I don't want to hold your hand[chorus:]  
I don't need youDon't you cry you know the crack  
You know I don't want you back  
Maybe once you were nice  
But it's no fun to do it twice
