

# Me And Those Dreamin' Eyes Of Mine

[D'Angelo](#)

When I first saw you baby  
I wanted to die  
Me and those dreamin' eyes of mine  
Started to cry then I'd dream  
Wishin' my fantasy  
Would soon become a reality  
Cause every time I see you baby  
All I do is sigh  
Cause you're the most precious thing baby  
That my dreamin' eyes has ever seen  
So I continue to dream  
Me and those dreamin' eyes of mine Is it just that you're the finest little thing that I ever saw  
Or is my imagination runnin' too far  
Or is it that my eyes are tellin' me something you could never see  
Somethin' like me being with you  
And you being with me Ooh wee baby you've redefined my vision of love it seems  
You're love be the chery in my chocolate covered dreams  
So it seems my oh my  
Me and those dreamin eyes of mine Oh my goodness here she comes  
Switching that ass  
I wonder if the men in her past  
Had treated her bad  
But if I had the chance  
I'd treat her like a queen  
Just like I do in all my dreams  
If you only knew how many times  
That I think of you  
I'm quite sure that you would find yeah  
I'm sure that you would find  
I'm going out my mind  
My oh my, me and those dreamin eyes of mine Is it just that you're the finest little thing that I ever saw  
Or is my imagination runnin' too far  
Or is it that my eyes are tellin' me something you could never see  
Somethin' like me being with you  
And you being with me Ooh wee baby you've redefined my vision of love it seems  
You're love be the chery in my chocolate covered dreams  
So it seems my oh my  
Me and those dreamin eyes of mine
